TOKI JAPANESE WHISKY HIGHBALL

**Toki Japanese Whisky,
Supercharged Soda, Lemon Oils**

“Because the Japanese highball is 80% water, it offers a refreshing, lighter taste that drinks equivalent to a beer with supercharged carbonation accentuating the aromas. As our romance with whisky continues in the United States, the highball offers the opportunity to enjoy the flavor-forward taste of Japanese whisky while also delivering a light cocktail that pairs perfectly with food.”

PROHIBITION IN AMERICA

On January 16, 1920, scores of thirsty Americans took to the streets to buy their last legal drinks from liquor stores and saloons. The United States officially became a “dry” country the following day. When the 18th Amendment outlawing “the manufacture, sale or transportation of intoxicating liquors” took effect. Despite coming on the heels of decades of pro-temperance furor, the amendment and accompanying Volstead Act proved widely unpopular among Americans. Alcohol continued to flow like water in the big cities, and gangsters, bootleggers and ordinary citizens alike all flouted the law until its repeal in late 1933.

“First we start by making a large batch of the classic Veux Carre. We fill smaller barrels with the cocktail, quality in equals quality out! We let it sit for a few months, open it up, and you'll find a changed cocktail. What was once a bright bright and bittersweet, has now mellowed and become more complex. We take our Barrel Aged Vieux Carre and place it in a solera style barrel system where the finished product becomes a mixture of ages, with the average age gradually increasing as the process continues over time, the flavors never stop developing.”

CLASSIC COCKTAILS

\$12 EACH

IT WASN'T ILLEGAL TO DRINK ALCOHOL DURING PROHIBITION.

“The 18th amendment only forbade the “manufacture, sale, and transportation of intoxicating liquors” -- not their consumption. By law, any wine, beer, or spirits Americans had stashed away in January 1920 were theirs to keep and enjoy in the privacy of their own homes. For most, this amounted to only a few bottles, but some affluent drinkers built cavernous wine cellars and even bought out whole liquor store inventories to ensure they had healthy stockpiles of legal hooch.
